Although

Sock Dart is no longer a shoe is hard to find, but there is no doubt that it is a classic collocation is still the first choice for many people. In Nike many shoes have launched a new generation of design at the same time, recently online exposure of the suspected Sock Dart of the second generation of shoes. From the spy photos, and it does not use the upper knit material lightweight, but the wool production of shoes. In addition, the original iconic plastic has become a band and joined the One divides into two., have been omitted in the bottom of the lacing system, Swoosh Logo has also been enlarged. Can be said that although its appearance with Sock Dart indeed is very similar, but lost the "socks" shoe charm, become very mediocre. Although it is still unable to confirm the authenticity of the message, but if it really is Sock Dart of the second generation of shoes, that is hard to impress you Sneakerhead heart?
